Development Finance Agenda

Volume 4, Issue 1

DEFA is a global non-academic finance magazine focusing on development finance and its use in promoting financial and economic development. It's readership includes CEOs, Managing Directors, senior and middle managers of private and public sector institutions, investment and development bankers, members of development finance institutions, academics and finance specialists in non-governmental organisations. The magazine welcomes short articles in any area of development finance including case studies, short pieces, research summaries, and best practices and challenges impacting on development banking and finance.
