

# From Beg Basket to Bread Basket, Mobile Money can Provide an Alternative

Munyaradzi G. Nyakwawa  
Independent DFS Consultant

## **Executive Summary**

Zimbabwe was once the breadbasket of Africa, we exported anything and everything, from grain to textiles, to the rest of the continent and beyond. Our industries were arguably the best in the region, producing quality products. Who would think of importing clothes when we had barons, Topman and Avant? Almost all manufacturing companies were up to standard. No beef compared to our beef. Those were the Glory days we need to reclaim them.
