

## **GOVERNANCE OF CIDEF**

The Chartered Institute of Development Finance (CIDEF) has three layers of administrative oversight bodies. These are (a) the Council Members drawn from professional development finance bodies and specialists in the area of development finance (b) Academic Accreditation Board individual academics with specialities in development finance at the postgraduate level and (c) Management Committee Members who are the staff members of CIDEF with responsibilities for implementing the projects of CIDEF. Council Members and Accreditation Board play advisory roles and are, therefore, non-executive oversight bodies.

### **(a) Council of CIDEF:**

- (i) Membership of Council of CIDEF is restricted to institutions in the development finance space (DFIs, Associations of DFIs, financial institutions, professional associations, specialist academics and individuals and CDFA holders).
- (ii) Members of Council play a non-executive role.
- (iii) Members meet at agreed times during the year.

The role of Council is, broadly, to:

- a. To work with CIDEF to strengthen professional qualifications and professional development program.
- b. Provide advice on the quality and/or relevance of CIDEF certificate programs.
- c. To work with CIDEF to provide training to employees and clients of Council Members.
- d. To work with CIDEF to strengthen development finance regional networks.
- e. To work with CIDEF to organise regional workshops, seminars and forums aimed at supporting Council members' activities.
- f. Provide advice on other issues of benefit to Council Members and CEDEF.

### **(b) Academic Accreditation Board:**

- (i) Membership is restricted to academic or training partners and independent development specialists.
- (ii) Members of Academic Board are non-executive.
- (iii) Members will meet at agreed times during the year.
- (iv) Members are responsible for the quality of certificate and professional program of CIDEF.
- (v) Members will provide quality certificate and professional programs.
- (vi) Members will work with other specialist to ensure that CIDEF programs are properly aligned and accredited.

### **(c) Management Committee Members:**

- (i) Members play executive roles and responsible for implementing the strategic objectives of CIDEF.
